

# Our Mission

Loving God and others

Christ-centered education and worship

Serving Christ and our community

# Our Values

Lodi Christian School promotes spiritual growth in an environment of high academic standards.

Curriculum and activities will follow Biblical principals and promote a Biblical world view.

The school will remain an independent educational institution with no direct denominational affiliation.

# Academics

The purpose of LCS is to provide an outstanding academic education integrated with the Christian view of God and the world, based on the authoritative and infallible Word of God. Because the Christian approach to learning differs significantly from the secular approach, LCS offers a curriculum rooted in a God-centered view of life. This view holds that God's truth is the standard for all truth.

The teachers at LCS challenge their students to master the material at every level. Students in K-3rd grade are evaluated on an excellence scale; students in 4th-8th grade receive letter grades.

Our curriculum emphasizes the fundamentals of education including:

- Phonics based reading
- Writing - including cursive
- Mathematics
- Enhanced Science programs
- History
- Spanish (7th & 8th)

# Spiritual Enhancement

Through dedicated Christian teachers and staff, LCS works together with parents and churches, challenging each student to grow and develop in his/her relationship with Christ. Students in 1st-5th grade memorize the basic building blocks of the Christian faith, and all students memorize scripture and study the Bible.

# Changing Young Lives

We offer many student & family centered activities which include:

- Fine Arts
- Athletics - Fall, Winter, & Spring opportunities for girls & boys
- Enriching Chapels
- Community Service occasions & outreach
- Student Government in junior high
- Choir & Band

# Prepared for the Future

Our elementary and middle school both enjoy weekly STEM lessons & projects enriching our students.
