

## Our Mission

The purpose of Lodi Christian Preschool is to provide a quality preschool program for the children of our community. We strive to meet the physical, intellectual, social, emotional, and spiritual needs of our students, while also portraying and teaching them about the love of God. A safe and loving environment has been prepared to provide hands-on exploration and academically enriching activities. Our committed staff will engage your child in a variety of ways that will help them discover, explore, and learn to their fullest potential.

## We Learn!

Children will be taught in large and small groups as well as individually, using a Christian and seasonally based curriculum. Educated and experienced teachers guide the children through their spiritual growth and cognitive development in math, language phonics, and science. The environment is structured to meet the needs of each individual child and has been created to give hands-on experiences that enrich their play.
