

March 13, 2020

Dear Parents and Guardians:

After much discussion with LCS board members and with input from the San Joaquin County Public Health Department on the coronavirus, a decision has been made that it is in the best interest of our students, their families, and our staff to close Lodi Christian School until April 6, 2020. Please know that this decision did not come lightly and was discussed at length. The school will be closed this next week because of the scheduled Spring break. The school office will be open again on March 23, with normal hours of 7:30-3:30, but no services on campus will be provided for our students.

We are working with our K-8th grade teachers to provide a distant learning program to go into effect the week of March 23, 2020. Teachers will be in communication with you as to how they will be working with your child during this time. Please keep an eye out for more details and additional information over the next week. Our goal is to provide your students with the instruction and information necessary for them to continue in their academic growth, keeping them educationally engaged over these next couple of weeks.

Unfortunately, we can not provide any educational distant learning program to our Preschool students. A proration adjustment to the March Preschool tuition will be reflected on your April statement.

We are sorry for any inconvenience this may have caused your family. Many of you will have questions. Please feel free to contact Mrs. Harper or me through email. These are interesting days and once again I would like to encourage you to remember that God is in control and that "He has not given us a spirit of fear, but of power, love and common sense."

Thank you for your patience and support,

Ron Hittle

Ron Hittle

Principal

"Peace I leave with you. My peace I give to you. I do not give peace to you as the world gives. Do not let your hearts be troubled or afraid." John 14:27
